## **Fuel Valve Rebuild Request**

### **We rebuild Pingel fuel valves only!**

***Please include this form and payment with your valve***

We can rebuild most Pingel single outlet fuel valves for \$18.00 USD, dual outlet valves for \$21.00 USD, triple outlet valves or guzzler valves for \$24.00 USD and vacuum valves for \$31.00 USD. This amount covers the rebuilding and return shipping and is payable in the form of credit card, check, money order or cashiers check (we don't accept USPS money orders). If paying by credit card we will contact you for details. **We DO NOT accept cash** for valve rebuilding. If your valve cannot be rebuilt we will contact you at the phone number or email provided below. Most valves are rebuilt and sent back to the owner within 4 - 5 days of receipt at our facility.
